RE: Notice of Revocation

Dear Ms. Zulqurnian:

During a licensing study conducted on March 7, 2012 at your family day care home located at 240 Pointe South Drive, Hinesville, Georgia, 31313, it was determined that serious rule violations occurred which could have seriously affected the health and safety of the children in care and demonstrated an intentional and reckless disregard for the physical and mental health and safety of the children in care. Specifically, it was observed that there were two preschool-age children alone in the front yard playing with a puppy for at least five minutes. These rule violations were previously cited and you failed to correct them and to maintain compliance. One of the rule violations was included in an enforcement fine that was issued to you on September 9, 2011 and paid September 27, 2011. The second rule violation was previously cited on September 8, 2011 and June 23, 2011. The rule violations for which Bright from the Start: Georgia Department of Early Care and Learning is basing the revocation are attached hereto as Exhibit "A"; the September 9, 2011 enforcement fine is attached as Exhibit "B"; the September 8, 2011 and June 23, 2011 visits are attached respectively as Exhibits "C" and "D" and all are incorporated in this Notice by reference.

Based on your noncompliance with the rules for family day care homes, you are hereby notified of that the registration to operate your family day care home is hereby revoked. Bright from the Start's legal authority for revoking a registration is found in O.C.G.A. Section 20-1A-12(b)(3)(5) and Section 20-1A-12(c)(5), and the Bright from the Start Rules for Family Day Care Homes, Chapter 290-2-3 of the Official Compilation of the Rules and Regulation of the State of Georgia.

In accordance with O.C.G.A. Section 20-1A-10(o) this revocation becomes effective thirty (30) days from receipt of this Notice. You have the right to appeal the decision to revoke your registration to operate a family day care home by filing a written request for an Administrative Law Judge with the Office of State Administrative Hearings. The request must be made in writing within ten (10) days of receipt of this Notice and addressed to:

If you do not appeal this action within ten (10) days of receipt of this Notice, the decision to revoke your registration will be final. Licensure staff will conduct a follow-up visit to verify closure.

Sincerely,

Brenda Haynesworth

List of Rule Violations for:

Carolyn Zuqurnian
Family Day Care Home
240 Point South
Hinesville, Georgia 31313

1. Rule 290-2-3-.07(7) requires at least one adult be present to supervise children at all times.

During a licensing study on March 7, 2012 it was determined that the provider did not ensure that children were supervised by an adult at all times. When the consultant arrived, there were two children, a three-year-old and a four-year-old, who were playing in the front yard without an adult present. The children had access to the busy street and played in the yard for five minutes before the provider came outside. It was not known what time the children first began to play in the front yard.

The failure of the provider to supervise children could possibly place children at risk of harm.

This rule violation was previously included in an enforcement fine issued September 9, 2011 for an incident that occurred on April 14, 2011. On that date, the provider left the home to walk down the street to a neighbor's house, leaving three children who were six, four and three years old alone in the home without an adult present for 2 to 5 minutes.

2. Rule 290-2-3-.11(1)(k) requires that animals be confined except during specific supervised learning experiences.

During a licensing study on March 7, 2012, two children, ages three years and four years, were alone in the front yard of the home playing with an unrestrained puppy for at least five minutes without an adult present.

The failure of the provider to confine an animal could possibly place children at risk of harm.

This rule violation was previously cited on September 8, 2011 and June 23, 2011.

RE: Notice of Intent to Impose Enforcement Fine

Dear Ms. Zulqurnian:

A complaint investigation was conducted at your family day care home as a result of a report received on April 18, 2011. The findings of the investigation substantiated that rule violations occurred which jeopardized the health and safety of the children in care. Specifically, on April 14, 2011, three children, ages 6 years, 4 years and 3 years were left alone in the home with no adult supervision for an undetermined amount of time between 2 and 5 minutes. The rule violation for which Bright from the Start: Georgia Department of Early Care and Learning (Bright from the Start) is imposing an enforcement fine is attached hereto as Exhibit "A" and incorporated in this Notice by reference.

Based on your noncompliance with Bright from the Start: Georgia Department of Early Care and Learning's Rules for Family Day Care Homes, you are hereby notified of the intent of Bright from the Start to impose an enforcement fine in the amount of \$299.00. Bright from the Start's legal authority for imposition of an enforcement fine is found in O.C.G.A. Sections 20-1A-4(2) and (5) and 20-1A-11(b)(1)(A) and Bright from the Start's Rules for Family Day Care Homes, Chapter 290-2-3 of the Official Compilation of Rules and Regulations of the State of Georgia.

You are also advised that failure to correct and maintain compliance with these rules may result in further adverse action, which could include the revocation of your registration to operate your family day care home and could include the imposition of daily fines for each day the violations continue. Licensure staff will conduct a follow-up visit to determine compliance with the rules and regulations.

You have the right to appeal the decision to impose the enforcement fine by filing a written request for an administrative hearing before an Administrative Law Judge with the Office of State Administrative Hearings. You also have the opportunity to show in writing why this enforcement fine should not be imposed. The request for a hearing and/or the statement as to why the enforcement fine should not be imposed must be made in writing within ten (10) days of receipt of this notice and addressed to:

A hearing request stays or suspends the imposition of an enforcement fine.

If you do not appeal this action within ten (10) days of receipt of this Notice, the decision to impose an enforcement fine will be final. Payment of the enforcement fine, by certified check or money order, would then be expected within thirty (30) days of receipt of this Notice. The certified check or money order should be made payable to Bright from the Start: Georgia Department of Early Care and Learning, and mailed to me at the above address. Complete the enclosed Request for Taxpayer Identification Number and Certification (Form W-9) and return the form with your certified check or money order. If you do not pay the fine as finally determined by Bright from the Start, either (1) the registration to operate your family day care home may be revoked; (2) a civil lawsuit to collect the fine may be brought against you by the Attorney General or his designee; or (3) another enforcement fine may be imposed.

Hinesville, Georgia 31313

Rule 290-2-3-.07(7) requires that children be supervised at all times by at least one adult.

During the investigation, it was determined that on April 14, 2011, the family daycare home provider failed to provide adequate supervision, when the provider left the home to walk down the street to a neighbor's house. The provider left three children, a six-year-old, a four-year-old and a three-year-old, alone in the home with no other adult present. The children were unsupervised for an undetermined amount of time between 2 to 5 minutes.

The failure of the family day care home provider to provide supervision could possibly place the children at risk of harm.

Instructions: Enter visit(s) date and type in the grid below. Place an "X" in the box for any core rule category cited, at the appropriate risk level. When multiple risk levels are cited under one category, only the highest level of risk for that category should be listed on the grid below. Total the number of categories cited at each risk level at the bottom. Then list the total number of "Low", "Medium", "High", and "Extreme" from all visits in the appropriate boxes below. Using the guidelines listed below, determine the facility's compliance, and fill it in the box labeled "Annual Compliance Determination". Any non-core rule violations issued due to an injury or serious incident will be equivalent to a high-risk core rule category citation, and will be treated in the same way when determining a facility's compliance. Please note these instances in the comment section.
